

Westover High School Ministry

Opportunities to serve:

CORE Staff: Attend the Core each week (Sundays 5:30-7:30pm) to build relationships with students.

STRIKE Team Leader: Lead students each week to set up and take down Core props, chairs, couches, video games, vacuum, etc.

RAD Team Leader(s): Reading, Art and Drama team. Coordinate students who are gifted in art, visual graphics, drama and dance and work with the Core team to put together dramas, wall art, videos, dance, etc to enhance the Core worship experience.

WELCOME Leader: We have a SNAP team (showing new people around). Weekly connecting with new students and also integrating new students with other students and making them feel welcome.

Small Group Leader: Lead a group of students (same gender, same grade) to encourage them towards more intimacy in a smaller setting with accountability and fellowship. Meets every Wed. night during the school year (Sept-May). Training in Aug. & staff meetings every other month.

Service Ministry Coordinator: Responsible for coordinating service projects for the student body and small groups; stay in close contact with Wes Ward (Director of Local Ministries).

Mentor: Devote time to a one-on-one relationship with a student who is not connected.

Designer: Design logos for retreats, brochures, and events.

Sunday a.m. Leader: Welcome and facilitate our Sunday morning program MERGE @ 11am. And connect with students by asking questions and building relationships (rotation basis)

MK Connector: Team up with our Global Missions Dept. to be in the know what missionary kids are of high school age. Connect with students at the Core and encourage them to write our MKs via email or letters or even through facebook or skype.

Special Needs Leader: Assist handicap students @ Merge on Sunday mornings or at the Core on Sunday nights. Help them be connected with the rest of the group and assist them with their special needs.

Podcast Director Interview and record students' stories. Edit and produce the WHSM podcast, load the podcast onto iTunes.
